February Financial Report (Profit & Loss, Balance Sheet, and Budget Status)

Board Action... Motions from Executive meeting.

Coordinator Conference Report – Staff

Current Projects Report

Board Director terms – March 10th Directors from Areas 1, 4 and 5 were reappointed by the Benton County Board of Commissioners for a new 4-year term ending in 2024.

Congratulations and thank you to Darrell Miles Area 1, Danny Downs Area 4 and Dave Owens Area 5 for your commitment!

Cheryl Farabee has shown an interest in serving as Director from Area 2, but after further review resides in Area 3. The search will continue.

Fair Grounds – Fall residual application covered 72 acres and took 62.5 combined hours. Cost of chemicals and wages will leave \$2,300 for monitoring thru the season.

Public Works – Working with Doug D’Hondt to use current inventory of fall chemicals. Previous fall treated paved roads will be treated as soon as weather permits, no gravel or additional roads will be sprayed with residual product this spring. Once we have treated approximately 150 paved shoulder miles, Public Works will be doing their own roadside spray program.

Corp of Engineers – Plymouth Park spring application has been done and invoiced.
(this will be the first credit card payment for work done)

New Opportunities --- September of 2019 we applied for funding from BLM & WSDA to treat “Noxious Weeds” (Yellow Starthistle) on BLM land in the City of W. Richland. BCNWCB has been notified funding has been approved, the amount is not yet known. The original request was for \$10,149.00.

*Application for US Forestry Grant administered through WSDA funding to treat Class A Flowering Rush located on an inaccessible portion of the Yakima River from Prosser Dam to Chandler Power Plant. Application plan has a total cost estimate of \$10,000, with BCNWCB contributing a 50% match in kind of up to \$5,000. Staff was notified at the Coordinator Conference that BCNWCB funding request has been selected the amount has not been announced.

March Projects – Roadside applications will start March 16 as weather permits.

Upcoming Meetings & Events – Finish fall roadside applications, // ~~Salmon Summit April 28-29~~, // Heritage Garden booth. Kennewick May 2, // Tapteal event May 2 Claybell Park, Richland // Konrad Supervisor training May 12, Kennewick.
